Re: SCP Carlstadt Site

Dear Pam:

Enclosed for your files are 4 (four) copies of the revised Remedial Investigation Report submitted by the PRPs for the SCP-Carlstadt site. The report is in two volumes. I will be reviewing this report to determine whether all of EPA's comments have been addressed, and will let you know if any changes are required before this report is released to the public.

If you have any questions regarding these documents, please feel free to call me.

Sincerely yours,

Janet Feldstein, Project Manager
Northern New Jersey Compliance Section
